Copy of letter dated the nil 1943, from Mr. T. Sadasivam, 167 Albert Victor Road, Chamarajpete, Bangalore City, to the Director General, I.M.S., Delhi.

I am a retired Sub Assistant Surgeon of the Mysore Government Service and am at present aged 70 years I have three sons, one of whom Dr. T.S. Sambasivan is now on active service with the Middle East Forces (M.E. 350), as a Medical Officer of No. 1213, I.A.F. Company. Both my other sons Mr. Madhavan and Mr. Sivaswamy are employed in the Mysore Government service and have been posted to work in Mysore City whereas I have been a resident of Bangalore. I have a house and other interests in Bangalore and my health also is not good at present. I cannot go to Mysore as that place is not suitable for my health. In my old age and indifferent health, it is necessary that at least one of my sons should stay with me and look after me and my wife. Without the help of my sons, my wife and I are suffering very much. My youngest son Dr. T.S. Sambasivan has been away from home for a long time and has been on active service overseas for the past seventeen months and has been doing his humble part in the service of his King and Country, without minding the separation from his people. In view of my difficulties, represented above, and the service that my son has put in, I humbly request that he may kindly be recalled to India and allowed to be near his aged parents.

I shall be very grateful if my request is kindly granted early.
